Seniors

Senior Class History

For four long years we have waited patiently for this wonderful year when we could take our places at Lane as high and mighty Seniors.

When we entered Lane in 1945, we elected Junior Harvey as our president. He led us through a very successful year in which we participated in more activities than most eighth grade classes usually did.

The year we spent as greenhorns passed by quickly, and before we knew it we were Freshmen and a little more grown-up. This year Jessie Ewell served us excellently as our class president. A number of members of the Freshman Class took part in the operetta "The Bells of Capistrano." Our class seemed to be musically inclined as we had a large representation in both the choir and the band.

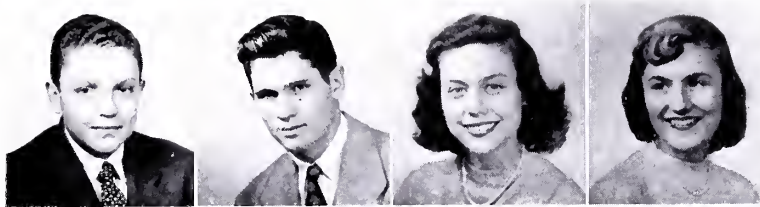

Starting with our Sophomore year, we began to have many promising athletes and cheerleaders. J. C. Craft was our class president, and practically all the clubs at Lane contained some members of our class. Our dance, "The Hatchet Swing," went over very successfully, and the assembly given by the Sophomore Class was one of the best given at Lane. Also this busy class sponsored a Tall Tale Contest, and a picnic held at Dickie Britton's home, "Richlands."

J. C. Craft was carried over from our Sophomore year to serve once again as president of our Junior Class. We ordered our Senior rings early so we would be able to wear them through the senior year. During this year, perhaps the most spectacular dance ever presented at Lane was given—The Junior-Senior Prom. The decorations consisted of archways brightly covered with spring flowers, and huge bags of balloons hung at opposite ends of the gym. Door prizes, donated by various stores in town, were presented at intermission. The Seniors seemed to appreciate our efforts in making this dance such a success as much as we enjoyed giving the dance in their honor.

But I think we will all agree that this, our final year at high school, has been the finest of them all. To lead us through the year have been president, Billy Bolton; vice-president, Gary Kirksey; secretary, Margaret Saunders, and treasurer, Pat Hawkins. This Senior Class of 1949 has attempted something no other Senior Class has ever attempted, and that was a trip to New York City. I don't believe we will ever forget those weekly rummage and pastry sales, the dances, bridge parties, and above all, the hilarious basketball game between the male members of the faculty and the boys of the Senior Class. Everyone worked hard to make the trip one of the most wonderful memories in our high school career.

Now as we fondly wave good-bye to the place that holds some of our most cherished memories—Lane High School, we want to thank our teachers whose leadership and guidance have made these past five years of learning a pleasure.

The Student Council has been actively engaged in many projects this year to improve student facilities at Lane. Through suggestions from Council representatives, the cafeteria facilities have been arranged to give better service to the students. As a branch of this project the Student Council also installed a juke box in the cafeteria for student enjoyment.

As a part of their work this year the Council took a very active part in the annual SCA convention held at Richmond. Alton Thomas, the Student Council president, gave a talk on Boys' State and Boys' Nation at one of the general sessions. Robert Coleman, secretary of the Student Council, presided as state vice-president of the convention. Four other delegates from the Council attended the convention also.

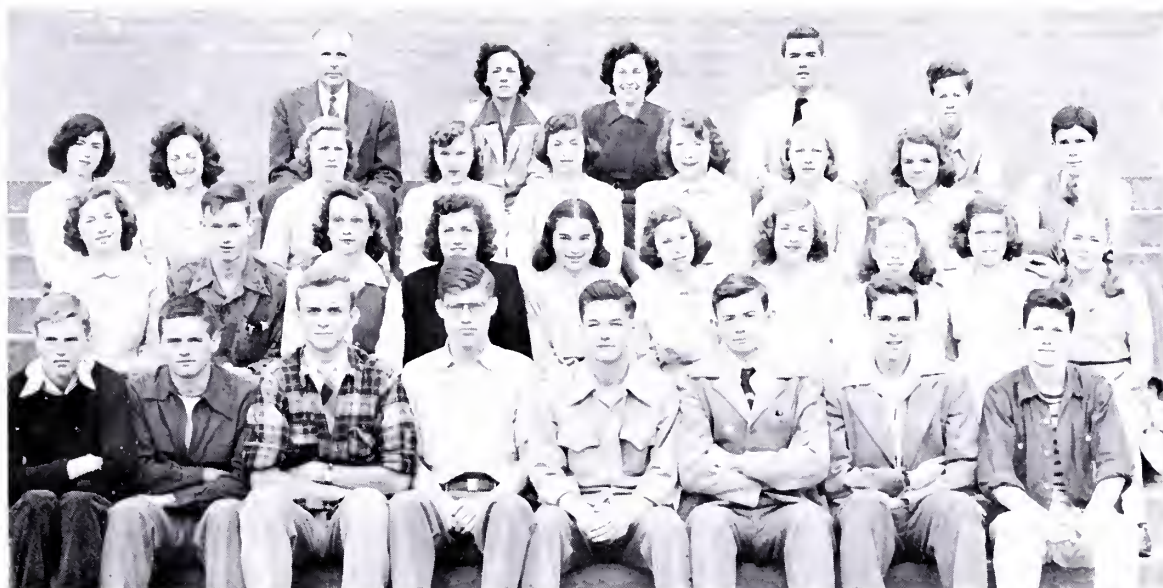

Considerable work has been done in organizing the Student Council on a more efficient basis. A major point in the project has been the establishment of standing committees on the Council. As part of this project a constitutional committee has been appointed to revise the system of election and membership so that it will be more democratic.

Ushers Club

The Ushers Club is the law enforcement body at Lane. This club has various duties ranging from reporting people who run in the hall to ushering at civic functions. The students that make up the Ushers Club are always striving to maintain order at all times everywhere in the school. This duty is not easily carried out, for an Usher must always remain courteous and respectful to all students.

In the past year, the Ushers Club has assigned people to watch the hall during the class periods. The regular club members have posts in the cafeteria and in the hall during lunch period.

The Ushers Club is selected by a majority vote of last year's Student Council. The list sent from the office and approved by the faculty acts as a guide for the election of fifteen regular Ushers and five alternate Ushers.

Girls' Activities Council

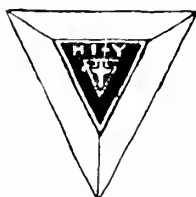

The Girls' Activities Council continued to promote worthwhile projects during this, their fourth year at Lane, under the leadership of Marguerite Gianniny as president. As a part of their fellowship program in September, members entertained the Eighth Grade students and later gave a party in honor of the new girls and new teachers. In October, they sponsored an assembly which featured new school talent.

As a means of promoting the Christmas spirit, the girls decorated Room 112 in the holiday manner and gave a shower attended by Santa Claus and Lane students.

The Girls' Activities Council kept quite busy during the entire year and gave assistance at numerous school functions which included the District J Teachers Meeting, the Music Festival, and the "Open House" for Eighth Grade parents.

The Hi-Y Club presented a very impressive assembly December 8.

Many students from schools throughout the state came to Lane for the week-end of November 20 and 21 for the annual Hi-Y Conference. Thirty students from our five Hi-Y Clubs represented Lane.

The jeweled Hi-Y pin, worn each year by the girl who is selected by the Club as the best example of Hi-Y ideals, was awarded this year to Maxine Craddock, president of the Club.

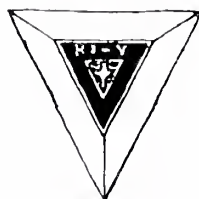

At the Hi-Y General Assembly in Richmond, the Lane club sent Maxine Craddock, as the Sergeant-at-Arms. Margie Darling was the other representative from this Hi-Y.

The Boys' Senior Hi-Y has had one of its best years. The club sponsored a Care drive, clothing drive, and a soap drive for unfortunate European children.

The Hi-Y Club's biggest undertaking was the District Conference which was held at Lane this year. Al Thomas, who was president of the district and who wore the Hi-Y jeweled pin for the most outstanding member, was elected governor of the Model General Assembly.

The Hi-Y sponsored the traditional "Best Girl" dance and the Hi-Y banquet. At the banquet the officers for next year were installed. The club also had its annual assembly in which Mr. G. C. Speidel led a group sing.

During the spring the Hi-Y had a series of guest speakers at its regular bi-weekly business meetings. The object of these informal talks was to acquaint all Hi-Y members with details and lesser known aspects of various professions.

The members of this club are selected from the Eighth Grade, Freshman, and Sophomore Classes. As Junior Hi-Y members, the boys learn the work of the club and in this way they become more efficient Senior Hi-Y members.

The Boys' Junior Hi-Y also takes an active part in the Hi-Y District Conference.

Bumblebee

The *Bumblebee* is the school magazine published twice a year in order to recognize the writing talent expressed by Lane students. Emphasis has always been placed on quality rather than quantity of material.

The *Bumblebee* has won the trophy at the Southern Conference in Lexington two years in succession, and the school now possesses two very fine leather-bound scrapbooks as a result of this honor.

Heading the staff is Winston Johns, with John Chadwick as associate editor. Cornelia Blincoe is poetry editor, and Margaret Quarles is art editor. Others on the staff include Mary Ann McCasland, Barbara Lang, Minnie Reed, Lucy Duke, Gary Kirksey, Hilda Burton, and Martha Snow. The sponsors are Mrs. Katherine A. Meade and Dr. Richard A. Meade.

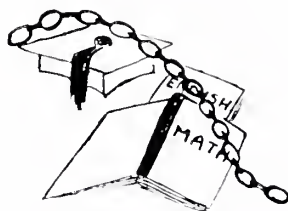

The staff is proud of the accomplishments of the magazine in the past, and hopes that the *Bumblebee* will continue to bring credit to Lane in the future.

The CHAIN is the yearbook of Lane High School. It is prepared by a staff of seventeen members under the guidance of the sponsor, Mr. Foster B. Gresham.

This year the staff has tried a new system in the hopes of speeding up the schedule. The work is divided up between a copy staff and a photography staff. The copy editors and their staff are responsible for all the write-ups and identification in the annual, and the photography editor with her staff is responsible for all the pictures.

The CHAIN sent Derward Phipps and Lacy Huffman to Lexington as its representatives to the S. I. P. A. Conference in April. At this conference a first place award was given to the 1948 CHAIN.

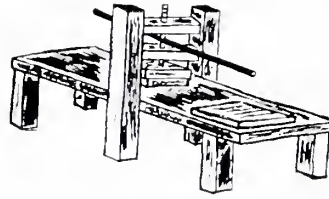

The CHAIN moved its headquarters from the art room to room 206. A part of this room was partitioned off for CHAIN work and better filing facilities were added.

The purpose of the annual is to help you recall many pleasant days at Lane, and the staff hopes that the CHAIN comes up to your expectations.

The *Lanctime* is the school newspaper. The purpose of the *Lanctime* is to print all the news concerning the students and the activities of the school. The staff endeavors to use the names of each student in its writings. The editorial policy of the paper is to promote thought and action about those projects which will be mutually wholesome to the student body. Our goal is to boost, not to criticize, the various activities of the students.

The *Lanctime* is printed approximately every three weeks, having twelve issues each year. The staff is composed of from fifteen to twenty students who are able to show brilliance, alertness, and regularity in their work.

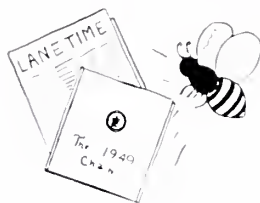

From a journalism class conducted by Mr. C. J. M. Blume, the editors of the next year's staff are elected. This class receives instruction about news-gathering, writing, and make-up for a newspaper.

Jane Dickerson and June Dillard were selected from this class to represent *Lanctime* at the S. I. P. A. conference on April 8.

Business Staff of Publications

This year the advertising staffs of *Lanetime*, *Bumblebee*, and *CHAIN* were combined into one business staff for all three.

The sponsors of this staff were Miss Mildred Jones, circulation; Miss Alice Elam, advertising; and Mrs. Elizabeth Paul and Mr. J. L. Sauder, publicity.

As a way to make money for, and to publicize, all three publications, a Halloween dance was given at the beginning of the year. Votes for a king and queen were sold for a penny each. The "King and Queen of Halloween," Joyce Brown and Jerry Speidel, were crowned by the principal at this dance.

The advertising division also had the task of selling ads to the town's businessmen. Outstanding work was done in this field by two girls, Hilda Burton and Barbara Lang.

Standing: E. F. Houff, Miss Elam, W. Johns, H. Burton, J. Chadwick, B. Lang, T. Sully, G. Kirksey, Mrs. Paul, Miss Jones, Mr. Sauder.

Key Club

The Key Club is Lane's newest club and is sponsored in cooperation with the Charlottesville Kiwanis Club. When it was organized at the beginning of the year, Robert Coleman was elected president. Robert Snoddy was elected vice-president; Tom Sully, secretary; and Leslie Lisle, treasurer. Mr. John H. Barnes was chosen as the faculty sponsor of the club.

The purpose of the Key Club is to develop initiative, leadership, citizenship, and civic responsibility.

One of the main projects of the club was to act as publicity agent for Lane High School by use of radio programs and a weekly newspaper article in the *Daily Progress*.

The band is one of the most successful organizations at Lane. It received the first-place Stettinius Trophy in State Competition for Level "A" Bands and fourth place at the Lion International Convention in New York City.

During football season the band performed at all the Lane home games and also at the University of Virginia Homecoming game with V. M. I.

Concerts given included the annual Autumn, Christmas, and Spring Concerts. Out-of-town concerts included ones performed at Waynesboro, Staunton, and Fairfax High Schools. The Band also participated in the City Music Festival, school assemblies, United World Federalists meeting, the Community Chest Drive, the District "J" Teachers meeting, the District Festival at Harrisonburg, the State Festival at the University of Virginia, and the dedication broadcast of the new WCHV station.

Choir

The A Capella Choir has been under the very capable direction of Mrs. Jeanie Westerman for the past two years. The officers elected for this year were Betty Branham, president; Betty Makaritis, vice-president; and Jackie Scott, secretary-treasurer.

The Choir has given many fine performances. Among these were a Christmas Concert, a spring concert, a district music contest, and several assemblies. The main event in the Choir's program was the January performance of the Gilbert and Sullivan operetta, "H. M. S. Pinafore." The operetta was one of the best activities sponsored this year by the school.

Glee Club

The Glee Club of Lane High School, directed by Mrs. Jeanie Westerman, has one main purpose: to train the students in the lower classes for the Choir.

The Girls' Glee Club met three times a week. They took part in the annual Christmas Concert, the City Music Festival, and in school assemblies. They also made up most of the women's chorus in the operetta "H. M. S. Pinafore."

The Boys' Glee Club met twice a week and also with the Choir. As the Boys' Glee Club sings with the Choir and participates in all the activities of the Choir, the members appear in that picture.

The Players Club is the dramatic organization at Lane. At the beginning of each year the club holds try-outs to admit new members. A committee consisting of the four officers and the two sponsors selects the students who they believe show the most talent.

This year as its annual production, the club presented the comedy "Dear Ruth." Starring in the role of "Ruth" was Suzanne Moffatt, the president of the club. Another leading character in the play was John Chadwick, treasurer of the club, who was chosen as the most talented member of the Senior Class. Winston Johns, Luck Duke, Gene Densmore, Kenneth Taylor, Jane Yoe, and Penny Fraser also had starring roles in this play, which was one of the best ever given by the Players Club.

In the Group One Northern District Tournament, the Club received a rating of "Distinguished" on the play, "The Road of Poplars" by Vernon Sylvaire. In the State Festival, the play was rated "Superior." Winston Johns and John Chadwick had the leading parts.

The members of the "C" Club are the boys who have won their varsity letters in one of the major sports—football, basketball, baseball, and track.

Other than winning their letter, the boys have to go through an initiation before they can become members of the "C" Club. A small "C" pin is awarded by the club to each member after the initiations, which are held three times a year.

An annual affair sponsored by the club is the Christmas dance, which was more successful this year than ever before. The club gave several juke-box dances in the gym after the football games.

In April, the "C" Club had charge of the sale of tickets for a lacrosse game between the University of Virginia and Penn State, which was held on the Lane field. The proceeds helped to buy an audiometer for the schools of Charlottesville.

In the future as in the past, the "C" Club will continue to fight dishonesty, unsportsmanlike attitude, and unbecoming conduct on the athletic field.

Distributive Education Club

At the first of the year the Distributive Education Club elected the following officers: president, Mary Kirby; vice-president, John Birkhead; secretary, Dorothy Roberts; and treasurer, Barbara Laing. The sponsor of the club is Mrs. Audrey Miller.

On February 28, a district meet of all the Distributive Education clubs in Virginia was held at Lane. On March 15 and 16, John Birkhead was sent to Richmond to represent the Lane club at a national conference.

Other activities of the club were an informal dance on March 5, and an Employer-Employee Banquet in April.

Members of Distributive Education are interested in some form of salesmanship and have at least fifteen hours of work in stores each week.

MILLER SCHOOL

Lane started its football season with a bang by romping over Miller School 25-0 on Friday, September 17, before a crowd of 2,500. Dave Buck, a former Miller School athlete, scored the first touchdown. Beasley kicked the extra point, making the score 7-0. Theodose hit pay dirt, and the half ended with the score 13-0. In the second half Bingler and Walters scored, and Lane held Miller until the end of the game. Lane 25; Miller School 0.

ALEXANDRIA (GEORGE WASHINGTON)

Lane tied the powerful Alexandria Presidents Friday night, September 25, before a crowd of 7,000 spectators. Alexandria, playing from a single wingback, scored late in the first quarter. The conversion was good, making the score 7-0. Receiving Alexandria's kick, Joe Bingler raced 85 yards for a touchdown. Beasley kicked the extra point and tied the score. After many forward drives, David Buck went through off tackle to score. The placement was wide, and the score stood 13-7 with Lane in the lead. With two minutes left, the Presidents scored again. The kick was blocked, and the game ended with the score tied. Lane 13; Alexandria 13.

HAMPTON

Lane fought well against a heavy Hampton team on October 1 for the second home game. Lane succeeded in holding the powerful team's score down to 20-0. Hampton, completing several long passes, crippled Lane badly. The Lane defense was good, but its offense didn't have a chance against the hard fighting Crabbers. Hampton turned out to be State Champions of the 1948 season. Lane 0; Hampton 20.

GLASS HIGH

In the third home game on Friday, October 8, Lane fought hard against a strong Glass High eleven. Having four players benched because of injuries, Lane was expected to lose by a great margin; but contrary to predictions, the Orange and Black held the Hilltoppers down to only one touchdown, without the conversion. After playing on a muddy field, with neither team scoring in the first half, Glass recovered a fumble by Lane on the 8-yard line in the last of the third quarter, and with difficulty pushed over for a T. D. Lane held the Glass High team until the end of the game. Lane 0; Glass 6.

SALEM

Lane went to meet the Salem eleven October 16, only to be defeated in the last of the game. The Orange and Black had trouble making its plays click throughout the game. Salem caught Lane off guard and pulled a trick play and scored. The conversion was good with the score 7-0. Numerous penalties broke Lane's chances of scoring, and the game ended with Lane holding Salem on their own 25-yards line. Lane 0; Salem 7.

ARLINGTON

The Arlington team defeated Lane on October 22 with a 21-0 victory. The powerful Arlington line was the largest to play against Lane this season. Arlington scored in the first quarter a few plays after the kickoff. With the conversion good, Arlington led 7-0. Lane buckled down after another score from Arlington and held the score 14-0 at the half. In the second half, Lane played excellent ball and held Arlington to a single

LANE vs. HAMPTON

touchdown. Several outstanding Lanemen were injured, but the substitutes for them played well to hold the score to a 21-0 victory for Arlington. Lane 0; Arlington 21.

FALLS CHURCH

The Orange and Black coasted to a 25-0 victory over Falls Church, Friday night, October 29.

Falls Church received Lane's kickoff but could do nothing against the strong home team. Lane took the punt on its own 35 and raced back 12 yards. Neither team scored in the first quarter but Lane's offensive power took off for two touchdowns before the half. Buck scored twice and Adams made the conversion, making the score 13-0 at the half.

The third quarter held both teams scoreless, but Lane scored twice again in the fourth. Bingler raced 45 yards only to be knocked out of bounds on the opponents' 5-yard line. Buck again hit pay dirt by crashing over from the five. Lane 25; Falls Church 0.

FAIRFAX

Lane chalked up the fourth victory of the season against the Fairfax eleven November 5.

Lane played excellent football, but numerous penalties kept the Orange and Black from scoring through the first half and third quarter. The only score came late in the fourth quarter when Dave Buck and Wheat Wallenborn, alternately, carried the ball to the 15-yard line. A short pass by Nichols

Second Column: Junior Harvey, Bill Adams, Randall Barnett.

to Jim Lewis was completed in the end zone. The conversion made by Adams was complete, and the game ended with the score 7-0, Lane's favor. Lane 7; Fairfax 0.

FREDERICKSBURG

Playing the last game of the season, Lane was out to win against a strong Fredericksburg team on November 12.

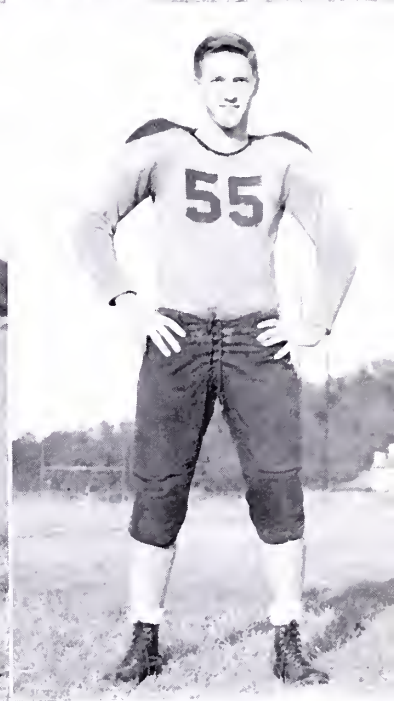

Fredericksburg scored in the first quarter soon after starting the game. The conversion was good. In the second quarter, Joe Bingler raced 59 yards to put the ball in scoring position. After several plays Bingler crashed over to score. The kick was not good.

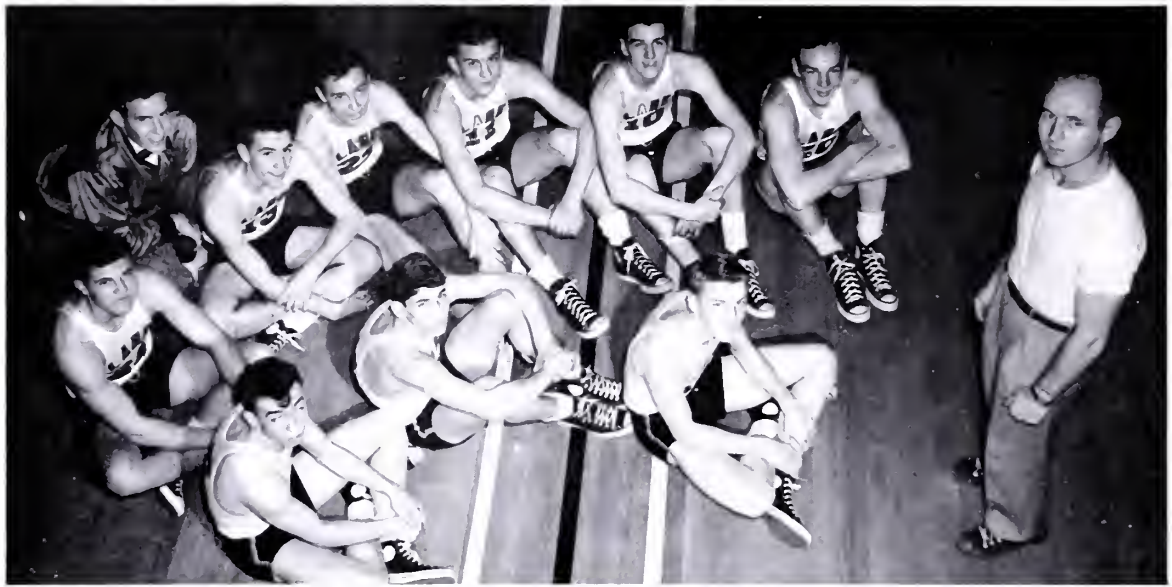

Fredericksburg again scored in the third quarter and again was successful with the extra point. With six minutes left to play, Lane started to play offensive ball. Lane recovered a fumble in midfield and brought the ball up to the 15-yard line. Billy Shipp passed to "Rail" Herring in the end zone for the score. A bad pass from center ruined the conversion.

Near the end of the game with the score 14-12, Fredericksburg's favor, Lane kicked to Fredericksburg. On the first play, Theodose recovered a fumble and Lane's offense got ready to move. Just six plays later Shipp raced through the Fredericksburg line to put the ball over the stripe with two minutes left in the game. The extra point was successful and the game ended. Lane 19; Fredericksburg 14.

Lane had a fair season by winning eight out of seventeen games. The Orange and Black won four out of eight league games, which were with Mt. Vernon, Alexandria, Fairfax, and Arlington. Having two games with each, Lane won both games against Mt. Vernon and Fairfax and lost both games against Alexandria and Arlington.

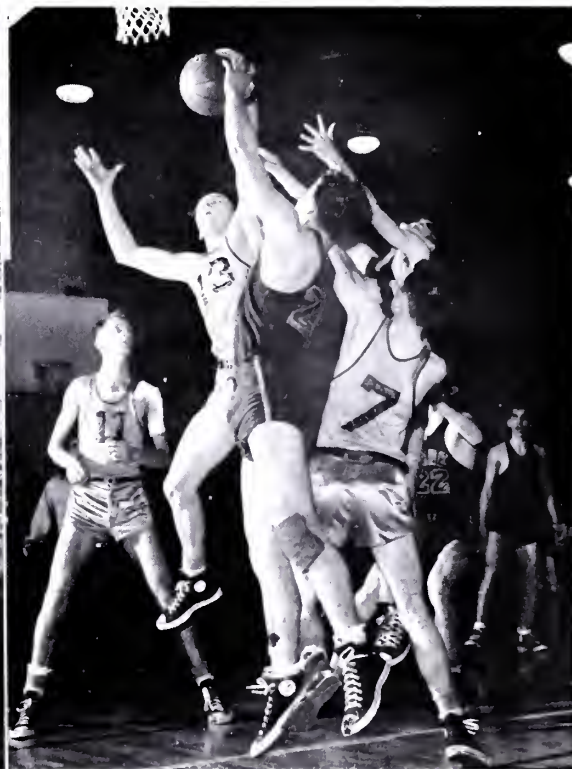

The two closest non-league games were with V. S. D. B., which was won by one point made by Jim Lewis at the very last of the game, and with Thomas Jefferson, which was lost by one point. The winning point was made by T. J. when a foul shot proved fatal to Lane just as the final bell rang.

Lane's star forward, David Cooke, led the Northern District in basketball scoring this year with an 18.4 average. He ran a close second with Paul Gentry of John Marshall for the top scorer of the state. In the Fredericksburg game on January 19, Cooke scored 34 points, more than half of the total score of that game.

Tommy Theodose had second rating of the Lane team for the season. His shots were especially good from midcourt. Other players to be mentioned in order of points scored are Sonny Nichols, Jimmy Lewis, Joe Bingler, and Junior Harvey.

The team was greatly made up of last year's stars, including Gary Kirksey and Nick Theodose in the dashes; Robert Coleman and Bob Lutz in discus competition; Cary Jackson and Dave Cooke in the high jump contest; Tom Sully and Wayne Plunkett in the 880-yard run; and Ray Marshall in the mile run.

Among the promising newcomers of the season were Buddy LaFon, out for the 880-yard run; James Woody, out for broad jump; Douglas Thomas and Evan Jackson, out for the dashes; and Bob Makielski, out for the 440-yard run.

The Lane J. V.'s had a fair season this year by three wins, one tie, and only one loss.

In the first game, Tommy Theodose scored the only touchdown to win the game against Fork Union. The Orange and Black was caught off guard in the following game, and the Miller School eleven scored eight points and topped Lane for a victory. The third game was played against a strong Culpeper eleven; Richard Eary made several spectacular catches and scored twice to tie the game. In the fourth game, the J. V. eleven won over Woodberry Forest, 13-6, for the first time in three seasons. In the final and return game, on our home field, the Lane J. V.'s won over Culpeper in the last part of the last quarter.

Junior Varsity Basketball

The Junior Varsity Basketball team had a very poor season. Out of eight games played, it won only two, both by small margins.

The first three games were lost to more powerful and more experienced teams. However, a return game with Thomas Jefferson at the close of the season showed an improved Lane team, losing by a much narrower margin.

Varsity Cheerleaders

Pat Hibbert, Nancy Pace, Barbara Barr, Joan Davis, Jean McCauley, Ann Babcock,
Pat Hawkins, Joyce Brown, Meta Todd.

The Varsity Cheerleaders, under the leadership of Jean McCauley, have been very active this year. They chartered buses to every out-of-town football game but one, and they also decorated the goal posts with school colors before every game.

At football games and at basketball games, the cheerleaders have done a wonderful job of cheering our teams to victory.

The Last Minute

On April 28, seventy Seniors and their four chaperons met at the train station to start their trip to New York—a trip that they will always remember.

Thirty minutes after the group arrived at Pennsylvania Station, a bus was waiting to take them on their first tour. This tour included a drive along Fifth Avenue, and a visit to the Cathedral of St. John the Divine and to Grant's Tomb. That night the Seniors had a taste of New York night life. First, there was a drive down Broadway and then a walk through Chinatown. Next, they saw the forgotten man's street—the Bowery, and on to the 102nd story of the Empire State Building for a breath-taking view of New York City by night. Billy Rose's Diamond Horse Shoe was the final stop, and here these Seniors dined and danced in a very glamorous atmosphere.

After breakfast the next morning, these enthusiastic Virginians were ready to start again on their excursions around the city. This time they visited the Cloisters, the Mother Caprini Shrine, and the Metropolitan Art Museum. Then a quick stop for lunch and they were off again for a three-hour cruise around Manhattan Island. That night the Seniors went to a broadcast at Radio City and then to a movie and stage show at the Roxy. After the show some of them went to Bop City to listen to the music of famous jazz bands.

Saturday morning, there was a tour to La Guardia Airfield and a trip to the United Nations at Lake Success. Saturday afternoon the still amazed Virginians had free time to do as they pleased. While some went to the theater, others visited relatives or shopped. The group met at the Down Under Restaurant at Rockefeller Center for dinner and this was followed by a tour of Rockefeller Center, the "city within a city." A movie and stage show at Radio City Music Hall was next on the schedule, and several Seniors went to see more of the city's night life.

There was also free time Sunday morning for church, the zoo, subway rides, and sleeping. The train left around noon and on the way home, many tired Seniors slept for several hours.

On arriving back in Charlottesville, the group was met by a huge crowd of anxious parents and friends. Although the Seniors were tired, they could still talk with enthusiasm about their wonderful Senior trip.
